INTRODUCTION

How to read your Relationship Compatibility Report

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh, unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Brad and Angelina, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digits' archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly ... as much as ninety-five percent ... by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Brad and Angelina, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality, the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. You have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Numerological Chart!

Brad, your Life Path is 13/4

Brad, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

Brad, you can handle money carefully and like the security of a nest egg. Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce

can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

Brad, your 13 Life Path is somewhat burdened by the presence of a Karmic Debt.

Those with the 13 Karmic Debt will work very hard to accomplish any task. Obstacles stand in their way, and must be overcome time and again. One may often feel burdened and frustrated by the seeming futility of one's efforts there may be a desire to surrender to the difficulties and simply give up on the goal, believing it was impossible to attain in the first place. Some with the 13 Karmic Debt fall to laziness and negativity. But efforts are not futile, and success is well within reach. One simply must work hard, and persevere in order to reach the goal. Many highly successful people in all walks of life, including business, art, and athletics, have a 13 Karmic Debt.

The key to succeeding with the 13 is focus. Very often, people with the 13 Karmic Debt do not concentrate or direct their energies in one specific direction, or on a single task, but scatter their energies over many projects and jobs, none of which amount to very much. A temptation with the 13 is to take shortcuts for quick success. Too often, that easy success doesn't come, causing regret and the desire to give up. The result is a poor self-image, and the belief that one is incapable of amounting to very much.

In order to focus, you must maintain order in your life. Order is essential to success. You must maintain a schedule, keep appointments, and follow through. Keep your environment neat and under control, and never procrastinate. If you sustain a steady and consistent effort, you will realize much reward.

Angelina, your Life Path is 32/5

The key to your personality is freedom. Angelina, you love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life. You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Angelina, you are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog. You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance the sky is the limit. You may have been perceived as a

wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire. Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you. You yearn for freedom and self-employment attracts you powerfully. Your challenge is to settle into one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Your Life Path compatibility is 4 and 5

Brad and Angelina, your Life Path numbers are the most important numbers in your charts, and as such, their compatibility is very important to the well-being of your relationship.

Brad and Angelina, yours is considered a challenging number combination. Brad likes routine and predictability, while Angelina prefers change and the unexpected. The numbers four and five stand for each other's polar opposites in many ways. Interestingly, this is often where the initial attraction lies. Brad is drawn to Angelina's daring, adventurous, dynamic and energetic life. On the other hand, Angelina admires the control and discipline Brad seems to have.

Quite often, this combination makes for a dynamic relationship comparable to a roller coaster ride. It is not difficult to conclude that this combination can only survive if your mutual love is strong enough to give one another room to live the life style of your respective choices. There is nothing gained by trying to change your partner. Your needs are simply too far apart.

Brad will have to accept the fact that Angelina is not predictable and, therefore, Angelina will never be happy living a too-structured life where everything can be forecast. Angelina should make peace with Brad's need for a more organized and controlled environment. Very different attitudes can also be noticed in other areas. Angelina is sensual and feels totally comfortable with other people. Angelina is more social and, probably, has a wild streak. Brad can be social when the occasion calls for it, but Brad will always keep a certain amount of distance. When choosing company, Brad is more discriminate and tends to hold on to protocol longer. Although as a rule more conventional and careful, Brad can, when the occasion is just right, reveal an extrovert, even outrageous, side. When it comes to opinions, Brad and Angelina, you will find yourself on opposite sides more often than not. Brad may be more Conservative while Angelina is more Liberal. Brad needs a somewhat structured spiritual connection. Angelina's spiritual world is very imaginative and more changeable. Brad may be much more willing to accept rules and regulations that Angelina will try to break with every opportunity.

Of course, these are just examples provided to give you a picture of what this combination may bring about, and not to be taken too literally. Interestingly, this kind of relationship can be very powerful and long lasting. The key to achieving this is not

to take yourself and your concepts too seriously ... something Brad in particular may have to work on ... and maintain your sense of humor. If you can do that, you will be able to enjoy each other's company instead of getting irritated by the differences you encounter.

So, keep in mind that opinions are just opinions, with relative values. On the other hand, a sense of right and wrong, a moral foundation, should not be relative. Sometimes, we find ourselves confused, attaching the same importance to our opinions and moral convictions, and when that happens, it is no longer possible to enjoy or build on the differences.

Brad and Angelina, this is where the danger lies in your four and five combination. Once the differences become so important you can no longer appreciate your partner, the end of the relationship is unavoidable. Therefore, go ahead and work on developing these two key qualities ... tolerance and open-mindedness ... so that you can build a happy and healthy relationship where Angelina's adventurous spirit and energy, and Brad's control and discipline will stand side by side.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be. The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Brad, your Expression is 13/4

You are the bedrock of society, the foundation of any enterprise. Brad, you are an organizer and manager. Your approach to life and to problems is methodical and systematic. You are a builder and a doer. You turn dreams into reality.

You possess a highly developed sense of structure. You enjoy management systems, and can carry out your well laid plans. You are not the type to embark on any trip without a map.

You take your obligations and those of your family quite seriously. As a result, you are reliable and responsible. You enjoy seeing a project through from start to finish, but can become too narrowly focused. You put your nose to the grindstone and have a tendency to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move slowly and cause you much frustration, especially with the apparent limitations of your resources. At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you.

It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals. Brad, your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy, but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun.

In your conservative and careful way, you are good with money. You are very conscious of the balance between income and expenditures. You can limit your expenditures; saving money is important to you.

You are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music, but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

Angelina, your Expression is 24/6

Angelina, you are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have

musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially dealing with young children or in special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

Your Expression compatibility is 4 and 6

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on", and should be seen more as a powerful influence rather than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same

contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

It is not all that common for these two numbers to "fall in love". Although these numbers carry some common traits ... the two of them are practical, grounded, and highly responsible ... they are rarely interested in each other. The four and the six are both family-oriented numbers, with a strong sense of community and loyalty to others, but they tend to compete where you might expect them to support each other. This is only one aspect of your charts, but, quite possibly, the hardest to overcome at the onset of the relationship. However, if support prevails over competition and you do become involved in a romantic relationship, it will usually be a strong, comfortable alliance right from the very beginning, an alliance that will, more often than not, last for a long time. It will be the kind of relationship others recognize and view as indestructible. It is understood that "Brad and Angelina are always together", you make the "perfect couple" ... those are statements people around you wouldn't even consider questioning. This contradiction is explained by the fact that you have a lot in common in some ways but, at the same time, you have some major differences to overcome.

As mentioned, Brad and Angelina, the two of you are responsible and family oriented. Your priorities have to do with the home, children, friends, stability and security. You are both very loyal and protective of each other and of those you care about. It is in the underlying energy and in the way you express it that you are very different. While Brad relies on structure, discipline, and control to protect, love and care for others, Angelina relies on love, sacrifice and forgiveness. Brad is much less flexible and may, at times, feel that Angelina is too soft and forgiving. You make up a relationship typically characterized as the disciplinary father and the soft mother, or vice versa. For those around you, the impression is that Brad is harder and less loving, while Angelina is pure love and gentleness. This is not an accurate perception, though. Brad's love is no less strong than Angelina's - it is just not as openly expressed. When push comes to shove, Brad will fight and sacrifice just about anything to protect Angelina, the children, or anyone else who is part of Brad's life.

A certain danger exists when some of these attributes become too strong. Brad's need for discipline and structure may, at some point, become too much for Angelina, suffocating and limiting Angelina's ability to express love easily and without fear. Another possibility would be Angelina becoming a bit of a doormat everyone takes advantage of, which might lead Brad to lose respect for Angelina.

Brad and Angelina, you can, together, balance these opposites and maintain a strong and lifelong relationship if you just remember that, deep inside, you value the same things.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's

desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth ... you, the spiritual being.

Brad, your Heart's Desire is 16/7

You love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

You enjoy mental and physical puzzles ... figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings, both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Brad, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you. Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others. This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These

characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Brad, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

Angelina, your Heart's Desire is 15/6

Your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Angelina, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

Your Heart's Desire compatibility is 7 and 6

Compatibility of the Heart's Desire numbers is very important in a relationship ... few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

A strange and not very common combination, the six and the seven have a kind of love-hate relationship. While the six is strongly committed and motivated by emotions and romance, the seven is an intellectual and somewhat secretive and distant energy. On one side, Angelina demands physical and emotional connection;

on the other, Brad relies more on an intellectual bond. This has nothing to do with love in its purest form, since no number is more capable of loving than any other number. What happens is that each number expresses love in a different way. Angelina's six in this part of the chart is more influenced by feelings and emotions and depends on expressions of love to feel secure and comfortable in the relationship. Brad's seven is more independent and enables Brad to feel safe and secure in the relationship even when there is less sharing of emotions.

Unless this fundamental difference is well understood and accepted, it can become a problem in your relationship. Angelina may, at times, feel that Brad is cold and aloof, as Brad needs a certain amount of distance, quiet contemplation, daydreaming; an opportunity to be alone with the Self ... and when Brad is in that state of mind, even Angelina's loving attention is experienced as an annoying disruption.

As a result, it is not uncommon for this combination to develop a relationship that can cause much unhappiness, and yet be unbreakable. Usually, this paradoxical situation is quite obvious to those around you, but completely unrecognized by you. Everyone around you will wonder why you stay together when you seem so different on all fronts.

Of course, Angelina and Brad, the six and the seven also allow for happy, long-lasting relationships. The key is simply to recognize the fundamental difference in the way you express your love ... and you are both capable of that. Angelina has to realize that even when Brad seems distant and cold, Brad's love is not diminished in any way. Brad, on the other hand, may have to accept the fact that Angelina has to confirm the relationship regularly, and does so by reaching out and demanding attention.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with, people or situations, but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Brad, your Personality is 24/6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others. You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment ... this aspect can be balanced by other numbers in your chart.

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective. You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste. Brad, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances. You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems. People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

Angelina, your Personality is 9

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities ... they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man. Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

Angelina, you are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing.

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

Your Personality compatibility is 6 and 9

Quickly recognized when two people first meet, not many relationships even get started unless their Personality numbers are compatible.

Brad and Angelina, all numbers dividable by three have several things in common. First and foremost, all these numbers respond to the physical, emotional and spiritual needs of others. In the case of a six, this is expressed mainly towards those in the immediate circle: family and friends. In the case of the nine, it is directed more towards people at large ... pretty much all of mankind.

When a six and a nine are found between romantic partners in this part of the chart, compatibility is very good. Both of you, Brad and Angelina, are self-sacrificing, giving and caring people. Brad is more practical, Angelina more idealistic, but your motivations are similar. Another aspect you have in common is your creativity and your eye for beauty, which, contrary to what might be expected, is pretty often a source of trouble for the six-and-nine combination. Brad and Angelina, sometimes you will see eye to eye when it comes to decorating, but often you won't. And since you are both opinionated in this matter, in order to prevent unnecessary arguments, what you should do is give and take a little, something you are both quite capable of doing.

Another talent or trait you share is a sense of justice. The six and the nine are both strongly affected by a sense of right and wrong that can be very powerful ... sometimes to the extent that they get involved in politics or become activists. Unless you happen to be on opposite ends of the political spectrum, this trait can further strengthen your bond.

The six and the nine, Brad and Angelina, are highly compatible. However, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place.

The nine, Angelina, with its idealistic and self-sacrificing nature, can also be arrogant and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the nine. Angelina, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Particularly when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship ... even with the most devoted partner. If you have found yourself in that corner, Angelina, you would do well to realize that what we believe and what we think, is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others. The nine, as you have read in the previous chapters, is the least prejudiced of all numbers, but as with all human traits, its dark side tends to be the direct opposite of the light side.

Although the most loving of all numbers, Brad's six has a dark side as well, and a dark side that can be nasty indeed. The six can become intolerant and angry, often without a clear cause. The irritation and anger seem to just sit there, inside, waiting for an opportunity to break out, without rhyme or reason.

Brad and Angelina, the negative sides of either the six or the nine are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations around.

Although there is potential in any relationship, some match-ups are more likely to succeed than others.
