John and Yoko, your Personality is 23/5
Your Personality compatibility is 5

INTRODUCTION

How to read your Relationship Compatibility Report

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh, unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

John and Yoko, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digits' archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly ... as much as ninety-five percent ... by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

John and Yoko, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality, the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. You have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Numerological Chart!

John, your Life Path is 15/6

John, you possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on. Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear. You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life.

You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial. It is in your nature to take on responsibility, and not turn away from personal sacrifice. You often fill the void left by others. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well deserved reward.

You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children. You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride.

You move well and gracefully, but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of

a spouse. You need to be needed, but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders. John, you are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents. This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields.

You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

Yoko, your Life Path is 18/9

You are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian, and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

Yoko, you are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self-sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully, and accept its natural limitations.

You have a controlled enthusiasm and the ability to finish what you start. A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain.

Money comes to you through mysterious or unexpected ways: inheritance; the

benevolence of someone who was inspired by your work; or a lucky investment. Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Yoko, your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams. When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

Your Life Path compatibility is 6 and 9

John and Yoko, your Life Path numbers are the most important numbers in your charts, and as such, their compatibility is very important to the well-being of your relationship.

John and Yoko, all numbers dividable by three have several things in common. First and foremost, all these numbers respond to the physical, emotional and spiritual needs of others. In the case of a six, this is expressed mainly towards those in the immediate circle: family and friends. In the case of the nine, it is directed more towards people at large ... pretty much all of mankind.

When a six and a nine are found between romantic partners in this part of the chart, compatibility is very good. Both of you, John and Yoko, are self-sacrificing, giving and caring people. John is more practical, Yoko more idealistic, but your motivations are similar. Another aspect you have in common is your creativity and your eye for beauty, which, contrary to what might be expected, is pretty often a source of trouble for the six-and-nine combination. John and Yoko, sometimes you will see eye to eye when it comes to decorating, but often you won't. And since you are both opinionated in this matter, in order to prevent unnecessary arguments, what you should do is give and take a little, something you are both quite capable of doing.

Another talent or trait you share is a sense of justice. The six and the nine are both strongly affected by a sense of right and wrong that can be very powerful ... sometimes to the extent that they get involved in politics or become activists. Unless you happen to be on opposite ends of the political spectrum, this trait can further strengthen your bond.

The six and the nine, John and Yoko, are highly compatible. However, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place.

The nine, Yoko, with its idealistic and self-sacrificing nature, can also be arrogant

and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the nine. Yoko, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Particularly when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship ... even with the most devoted partner. If you have found yourself in that corner, Yoko, you would do well to realize that what we believe and what we think, is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others. The nine, as you have read in the previous chapters, is the least prejudiced of all numbers, but as with all human traits, its dark side tends to be the direct opposite of the light side.

Although the most loving of all numbers, John's six has a dark side as well, and a dark side that can be nasty indeed. The six can become intolerant and angry, often without a clear cause. The irritation and anger seem to just sit there, inside, waiting for an opportunity to break out, without rhyme or reason.

John and Yoko, the negative sides of either the six or the nine are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations around.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be. The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

John, your Expression is 46/1

You are a natural leader, independent and individualistic. John, you are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits

and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

You are quite opinionated. People tend to be inspired or repelled by your strong personality.

You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly, and sometimes rigidly, defend and propagate them. Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance. You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

John, you possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

Yoko, your Expression is 11/2

Yoko, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the

unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Yoko, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Yoko, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life. You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Your Expression compatibility is 1 and 2

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on", and should be seen more as a powerful influence rather than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when

they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

This can be a very promising combination, because, strange as it may seem, you have very little in common, at least in this aspect of the chart. This particular core number shows John to be strong and driven, competitive, motivated, and perhaps a bit bullish, and overbearing. Yoko, on the other hand, is by nature more the "power behind the throne", the person who understands what goes on on a deeper level. Sensitive, intuitive, insightful and supportive, Yoko will always allow John room to throw some weight around, without losing sight of what has to be done and how to do it. The fact that you don't play a power game has a very important role in this relationship. Both of you know what you want, know how to make the other understand, and thanks to these abilities, you succeed in complementing each other very well.

Yoko is the peacemaker, while John is the driving, ambitious force. However, always remember to look at the other compatible aspects in your number combination so as to keep this in perspective.

John does have to be careful with Yoko. John's strength is like a strong stick ... it won't break easily and isn't concerned about getting damaged. Yoko's strength is more flexible, but also more vulnerable. Yoko will bend and surrender to other forces more easily, being therefore also more vulnerable to verbal abuse and negative criticism, things John is perfectly capable of shrugging off without much damage to the ego. Interestingly, it is precisely because Yoko is able to bend with the forces, that Yoko is the real survivor when a serious storm hits, whereas, if the wind is strong enough, John's strength may snap.

At least in this aspect of the chart, the key for the two of you in this relationship is "mutual respect" and "sincerity". John has to understand that Yoko's willingness to compromise, or surrender, does not represent weakness or an indecisive nature. John also has to be aware that Yoko is not easily fooled. Yoko may accept a certain explanation or a chain of events without confrontation, but this is more a result of a deeper insight and better perspective than cowardice. Yoko recognizes insincerity, lying and role-playing much quicker than John. Therefore, John would be well advised not to underestimate Yoko. As for Yoko, keep in mind that John's showing of strength and bravura does not mean that John's feelings are not susceptible to being hurt. In fact, behind that facade of strength and courage is a human being who experiences matters of the heart very powerfully.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions.

Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth ... you, the spiritual being.

John, your Heart's Desire is 23/5

Freedom is essential for your happiness. You love change, new experiences, meeting new people, adventure and travel. You love the exotic, far away places. Variety is more than mere spice of life ... you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you, which are many!

Your Heart's Desire makes you very well equipped for life. Change, the only constant in life, doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

You are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

You enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly.

Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion. You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

John, you are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal. Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist

the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full and you will make great strides in personal growth.

Yoko, your Heart's Desire is 6

Your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Yoko, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

Your Heart's Desire compatibility is 5 and 6

Compatibility of the Heart's Desire numbers is very important in a relationship ... few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

John, you are attracted to Yoko's strength and stability. Yoko is the grounded force, offering almost unconditional love and protection. You feel safe and secure in Yoko's love. Yoko thrives on giving love, comfort and protection. In short, Yoko is John's haven.

Yoko, you are attracted to John because you recognize in John a free spirit. John has courage and curiosity, and brings excitement and growth to the relationship. The five and the six complement each other very well. It is interesting to note that this kind of partnership is somewhat rare due to some initial distrust the six and the five have to overcome when they first meet. The five and the six archetypes have very little in common and usually don't reach out to bridge the gap. As a consequence, although not impossible, love at first sight is rarely found in this

number combination. When a five and six are drawn to each other, it is usually very physical and sensual. Once you connect, John and Yoko, the attraction quickly grows powerful, overshadowing just about everything else in your lives. This physical attraction is a strong foundation and while many couples, after a period of time, often lose interest in the physical aspect, at least to some degree, in your particular case the physical attraction will last a long time and remain powerful. This physical attraction is particularly important to John, who is by nature more of a sensual person.

Once the initial distrust is overcome, Yoko realizes that there is much more substance to John than John initially revealed. Yoko found out that John, in spite of a reluctance to commit, is extremely loyal and trustworthy. The popular notion that people who change so easily, and adapt to new circumstances quickly, may not be so strong in their commitment is proven wrong when applied to the five. In fact, John is less likely to cheat than most people.

On the other hand, Yoko can become a source of frustration and jealousy for John because Yoko gives love freely and generously. In order to keep harmony, John needs to understand that this is simply Yoko's nature. Yoko is quick with hugs and shows of care and love to other people, but this should not be a reason for John not to trust Yoko, or to be jealous. Yoko simply has a lot of love to give. Teaching, healing, and counseling ... even if they are not part of Yoko's career ... are major ingredients in the makeup of a six, and Yoko needs avenues to express them. It is important that John keeps that in mind and does not let misplaced jealousy come between them.

On the other hand, the most difficult challenge Yoko may have to overcome is to accept that John is likely more of a social animal. For John to be happy, John must live a dynamic life, full of impulsive decisions, changes, social activities and travel. Keeping that in mind, you will both need to offer your partner a lifestyle that is in harmony with what you want for yourself.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with, people or situations, but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have

trouble describing how they see us.

John and Yoko, your Personality is 23/5

John and Yoko, you both have the same number in this part of the chart. The following text therefore applies to both of you.

You are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit. You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet. You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic. John, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses ... sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

John, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Your Personality compatibility is 5

Quickly recognized when two people first meet, not many relationships even get started unless their Personality numbers are compatible.

John and Yoko, in this particular part of the chart, you both have a five, a number full of contradictions, no matter where it is found. For example, the five is sensual and freedom loving. It doesn't like to be tied down in any way. The five carries a tendency for indulgence, often expressed in sexual promiscuity, overeating, or drug

or alcohol abuse. Paradoxically, the five is also loyal and less likely to cheat than any other number. The five will avoid commitment as much as possible, but once committed it takes it very seriously.

Probably, you both recognize this within yourself and each other. You both take your commitment very seriously and you are both willing to accept a lot from each other. With your tolerant, easy going and flexible personality, you know how to adapt to each other, allowing your partner more freedom than most couples. This mutual understanding is just one of the many strong supports in this combination that can thus weather many storms. However, there is a dangerous side to this relationship, as there is to any other.

John and Yoko, the danger does not come from the outside, but from within. You are both adventurous people who require change and variety in your lives. You don't like routine and often make changes ... often major changes, such as switching career or moving to another town ... even when there is really no rational need for these changes. It is this urge for freedom and adventure that can also be the source of trouble. This tendency towards trying new things, experimenting with the boundaries of life, is sometimes expressed in a somewhat wild life style that often includes drugs or other vices.

In most partnerships, if one partner has a "wild streak" the other may be able to put on the brakes. In your particular case, you may find yourselves in a situation where both of you have ventured into the danger zone and there may be no one to put on the brakes.

John and Yoko, the key to a successful relationship for you is not hard to grasp ... just be yourselves. You have much in common and all the ingredients are there for a long, happy, and very likely a fun-filled relationship. However, in order to prevent a slow slide into a lifestyle that could eventually be quite difficult to get out of, you must be completely honest and use a healthy dose of self-criticism. When you see yourself, or your partner, sliding towards some form of abuse, or engaging in a search for the pleasures of the flesh, do not hesitate to act promptly and honestly. Be careful not to let your need for freedom and adventure push you in the wrong direction. More than in any other number combination, discipline and moral values are required.

Although there is potential in any relationship, some match-ups are more likely to succeed than others. Below is your compatibility rating, derived from the combination of the four Core numbers discussed within this reading. It should be noted that some of the numbers are given more weight within the calculation of this rating. Your overall "compatibility" is rated as Very Good (Between 79 and 85%).

The graph below show the distribution of results from several hundred couples. The red line in the graph indicates your average rating relative to the rest of the population.
