INTRODUCTION

How to read your Relationship Compatibility Report

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh, unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Will and Jada, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digits' archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly ... as much as ninety-five percent ... by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Will and Jada, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality, the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. You have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Numerological Chart!

Will, your Life Path is 22/4

You were born under the most powerful and potentially the most successful of all Life Path numbers. It offers you the extremes of life's possibilities: on one hand, you have the potential to be the Master Builder, the person capable of perceiving something great in the archetypal world and manifesting it in the relative world; on the other hand, you can slip into the depths of obscurity, achieving little more than personal support.

Your power is delicate. It exists by virtue of your ideals and vision, which you must use to inspire others to join you in your dream. Only by marshaling collective forces are you able to bring together the necessary elements ... people, ideas, resources ... that will enable you to realize your goals. Consequently, your Life Path is one requiring dramatic evolution. By being able to integrate seemingly conflicting characteristics within yourself ... your inspiring vision and your natural tendency toward practicality, for example ... you develop the talent to deal effectively with a great variety of people. This allows you to understand and unite many differing people toward a single goal, melding them into a concerted whole. Your task in life is to unite the dream with the bottom line. In short, you are the visionary with your feet on the ground.

You are good at business and politics. You naturally understand large institutions, and have the ability to think and act on an international scale. You are gifted with uncommonly sound common sense. You are able to see the beauty and potential in a given idea, but also the practical methods that will bring it to fruition. Somehow, you understand the limitations of ideas, what will work and what will not. This is an intuitive gift that can evaluate possibilities on the basis of their practicality.

While in many aspects the 22 is the most promising number, it is also the most

difficult to live up to. You have a great ambition, which can be a most difficult master, driving you to accomplish all that you are capable of. You are a steady partner in any relationship. You offer sound advice and consistent emotional support. You do not suffer from flights of fancy, and naturally resist the emotional heights. You are unconventional in thought and action, but tend to be traditional in appearance. You avoid airs and pretension.

Will, your challenge is to share your vision and allow others to make their personal contributions. That requires flexibility on your part, perhaps your weakest characteristic. You often lack faith in the ability of others. Therefore, you tend to control people and situations, sometimes tempted to manipulate.

In the end, you must learn to surrender to the larger cause that you serve. The final result may be quite different from your original vision, but with faith and commitment you will make an enduring impact on the world.

Jada, your Life Path is 27/9

You are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian, and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

Jada, you are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self-sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully, and accept its natural limitations.

You have a controlled enthusiasm and the ability to finish what you start. A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain.

Money comes to you through mysterious or unexpected ways: inheritance; the

benevolence of someone who was inspired by your work; or a lucky investment. Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Jada, your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams. When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

Your Life Path compatibility is 4 and 9

Will and Jada, your Life Path numbers are the most important numbers in your charts, and as such, their compatibility is very important to the well-being of your relationship.

Will and Jada, this is not considered a promising number combination, and there are some important differences you will have to learn to accept if you want this relationship to last ... at least in this aspect of the chart.

There is very little where the four and the nine see eye to eye. The problem is not so much that the four and the nine are not compatible, but that they simply don't connect. Have you ever met someone you had an immediate dislike for, or, perhaps, not so much a dislike, but an inability to make some kind of connection, a level where you could relate? No two numbers reflect that kind of unexplainable negative vibration as clearly as the four and the nine. If you are already in a relationship, this would suggest that other numbers in your chart are compatible to such an extent that they overcome this particular "alien" combination. Will and Jada, the success of your relationship relies in large part on your willingness to allow each other a lot of freedom. Think of this relationship more as two strangers who love each other, rather than two like souls who found each other and fell in love. There is nothing to be gained by attempting to learn even the deepest secrets and inner experiences of your partner. In this relationship, the motto is "the less the better". The less you try to understand your partner, the more you will be able to let love weld your hearts while keeping your minds free.

Will, you will need to allow Jada a life devoted to people or projects you could never get excited about. Jada will have to compromise as well. Idealistic as Jada is, Jada can be self-righteous and annoyingly opinionated. If you try to change your partner, or persist in demanding that your partner sees things from your perspective, the only result will be the opposite of what you tried to accomplish ... more distance, more confusion, more alienation.

The answer lies on recognizing the fact that you walk on parallel paths, and in order to preserve your relationship, you must build a life style that will guarantee that your ways will never cross, that there will always be some distance between you. I feel, however, that it is necessary to stress that this is only one aspect of the chart. There is much more involved in your relationship, and perhaps, the complete lack of connection between the four and the nine will never become much of an issue. But if it does, remember that the distance between these numbers is the only thing that makes it possible for them to live in harmony. Try to overcome the distance and harmony no longer exists.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be. The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Will, your Expression is 17/8

Will, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself ... generally an inborn talent ... and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Will, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Will, you can be a social drinker, mixing business with pleasure ... a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest.

Jada, your Expression is 21/3

You are optimistic, inspiring, outgoing, and expressive. People see you as cheerful, positive and charming; your personality has a certain bounce and verve that so powerfully affects others that you can inspire people without effort.

All of this upward energy is a symptom of your tremendous creativity. Your verbal skills may well lead you into the fields of writing, comedy, theater, and music.

Jada, yours is the number of self-expression ... rich in imagination and spirit. But you have to be careful not to scatter your talents. Your bane is that you often lack discipline and order in your life. Avoid becoming a "happy-go-lucky" spendthrift, escaping responsibility and commitment. You must learn to concentrate and focus.

These are the keys to your success. You have great potential in the arts and areas that requires creative solutions to problems. You are able to perform leaps of imagination, providing unconventional ideas as if they suddenly descended from above. Hard work and focus, however, are the foundation for a successful future.

Though you possess great verbal skills, your mind tends to see life as pictures rather than in words. Yet, you have the ability to think abstractly. Creativity is a sensitive faculty that is often suppressed in childhood. If you lack the confidence to pursue your ideas, you may divert your abilities into a scattering of trivial pursuits.

To overcome this problem, you must make a choice. Jada, you have to limit your field of vision and the number of activities you engage in, and bundle your energies into a single thrust. Focus your life; choose the area that you love the most, and commit. There, you will find success. And a great deal of happiness.

Love, romance, and money are within your reach. You are aided by your friends and admirers. Often people appear out of nowhere to help you in key situations. Jada, you have to learn to accept the involvement of others in your life. You are not a loner, nor are you particularly independent. You are social, you need an audience and the support of others to fully realize your abilities.

On the down-side, you can be superficial, moody, and intolerant. You are emotional and sensitive, sometimes presuming criticism where none was intended. You can also be jealous and gossipy. Beware of becoming cynical and sarcastic. These traits can suppress your natural creativity. Be goal-oriented. This is a practical, step-by-step approach to your larger ambitions. You possess the natural abilities to attain a high degree of excellence.

Your Expression compatibility is 8 and 3

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on", and should be seen more as a powerful influence rather than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Jada and Will, the three and the eight affect one in very different ways, so when these two numbers appear together in this part of the chart, the couples are compatible in some areas, and incompatible in others. Jada brings in the creative,

somewhat scattered, but yet inspiring and uplifting energy. Will is more ambitious, goal-oriented and focused. You are both energetic and capable of turning dreams into reality, even though with different approaches. Quite often, this combination is seen between business partners, or long-time friends who start a business together. In that environment, Jada would be the initial creative source, while Will would be the visionary. Together, you could do very well.

You are also both good communicators. Jada has the ability to clarify an issue with a sense of humor and pinpoint precision. Will takes a more practical approach by simply grabbing the bull by the horns.

In many ways, Jada and Will, you complement each other and are quite compatible, as revealed in this part of the chart. But, just like in any other number combination, there are areas where problems may arise.

Will is ambitious, practical and capable of sustained effort for a long period of time in order to reach a goal. Jada also has the energy and drive needed to make things happen, but Jada may drop a project when it is no longer interesting or when other projects become more important. This can be upsetting to Will, who feels that a commitment, such as a set goal, should be honored at any rate ... anything less is unacceptable to Will.

Jada, on the other hand, will sometimes feel that Will's priorities are too much directed to Will's own needs and expectations. Will can be quite demanding, while Jada is more easy-going - - if something doesn't work out, oh well, let's try something else. Will doesn't accept that and feels that the whole purpose of setting a goal is to overcome the obstacles one is bound to encounter.

In the end, the issue comes down to respect. The three and the eight have such different views as to what is important in life that, unless they learn to respect each other's needs and expectations, the relationship will not last long. However, more often than not, the three and the eight get along quite well.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth ... you, the spiritual being.

Will, your Heart's Desire is 12/3

You love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion.

Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down. You have a gift for self expression and are drawn to the verbal arts ... writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit.

If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

You need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished and never really succeeding in anything.

Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

Will, you have the potential to live a very full and successful life thanks to your talent for artistic self expression. The key to your success is a balance between the creative forces and self-discipline.

Jada, your Heart's Desire is 18/9

Jada, you want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity. Your ideals are of the highest order. You are a perfectionist. You strive to make the world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the

same values as you.

You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological. You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist.

Jada, you are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction in order to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the needs of those closest to you. You need personal love as well, but have a tendency to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others. Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most ... people.

Jada, your happiness and contentment are therefore highly dependent on the ease with which you are able to serve and influence mankind. It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

Your Heart's Desire compatibility is 3 and 9

Compatibility of the Heart's Desire numbers is very important in a relationship ... few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

This aspect of the chart, Will and Jada, reflects excellent compatibility between the two of you. The three and the nine can form a strong unity, one that often lasts for a very long time ... if not forever. They represent archetypes that are almost mythical in their romantic bond. Lots of stories of endless patience and self-sacrifice could be told about this unity. What makes this so surprising is the fact that this is possible

even though both numbers are considered self-centered, even egocentric at times.

Will and Jada, you both have powerful imaginations and intense inner lives, and that makes the two of you creative, albeit in very different ways. Will has a unique, somewhat off-beat originality, and expects life to be full of unexpected events and turns. Jada, in turn, likes to manipulate the environment until everything is harmonious. Jada has the talent to combine colors and materials to create beauty in a disciplined manner. Will appreciates the way Jada seems to be able to control events and surroundings, while Jada envies the easy manner in which Will accepts, and takes advantage of, whatever life has to offer. This brings balance to your relationship.

Will, your three in this part of the chart is often compared to the sun: you are warming and comforting to everyone, inspiring and uplifting to all. Jada, the number nine you carry is the most idealistic and self-sacrificing number. Like the three, it offers its love freely and generously.

Although they are loving, generous, and worldly numbers, they can never forget for a moment that they are at the center of whatever they dispense. So, they can sometimes conflict, in particular when both are vying for the same limelight. In such circumstances, they are like politicians in an election run-off. Even if, privately, they respect and like each other, they will try to take away the attention and spotlight from their partners. They can become very competitive, in which case, just like politicians, they will do anything to win, even start throwing dirt at each other if they feel justified. But that is pretty much the only area where the three and the nine combination may encounter problems. This is, therefore, where you, Will and Jada, will have to be careful. Don't become competitive. Don't feel you have to put down your partner in order to elevate yourself. Instead, if you find that in social situations you compete with each other, take an honest look at yourself and acknowledge it. In essence, this number combination shows great compatibility in this aspect of the chart. Avoid competition and instead invest in building the caring, romantic, life-long unity that comes so natural to you.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with, people or situations, but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be

objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Will, your Personality is 23/5

You are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit. You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet. You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic. Will, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses ... sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Will, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Jada, your Personality is 21/3

You are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful. Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party. You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Jada, you fall in and out of love rather quickly. You are affectionate and giving. Do not let your charm be an incentive to play too much.

Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate. Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

Your Personality compatibility is 5 and 3

Quickly recognized when two people first meet, not many relationships even get started unless their Personality numbers are compatible.

This is an excellent combination, but because the partners are so compatible, they sometimes enhance each other's less desirable traits as well. Jada is upbeat, expressive, creative and playful. However, Jada is not always focused and the results of Jada's productivity are not always useful. Will generates a similar, sometimes restless energy. Will, though, is more directed towards social activities, interacting with other people. Will's life style is dynamic and, if the decision is in Will's hand alone, this life style will involve lots of travel. If you happen to share a home, Jada and Will, you will have little trouble creating a living environment and a life style suitable to both.

You both communicate well. Your verbal abilities make you a popular couple. In fact, one of the things that could trip you up is the popularity and easy social interacting, since both of you, but Will in particular, may have a tendency to become jealous of your partner. You both thrive on playing center stage, you both want to be in the spotlight, and this may cause an uncomfortable competitive atmosphere.

Jada, Will can, at times, say things on the spur of the moment that are hurtful or reveal an underlying problem. You would do well reading between the lines, because whatever it is, Will probably won't spell it out. Similarly, Jada likes to skim over the deeper issues in life, especially those in the emotional sphere. Will needs to be aware that, even after being close to Jada for many years, much about Jada will never be revealed. This shows that, if you are not careful, the two of you could be experiencing deep inner turmoil, and your partner might not be aware of it.

The three and the five get along very well. Jada likes the way Will acts and talks. Will has a wonderful time with Jada's wacky sense of humor and upbeat nature. It is a good combination that can last a lifetime. If problems arise and reach the kind of proportions that put this relationship in jeopardy, it is usually because the partners didn't listen carefully to each other. Both the three and the five have a tendency to keep emotional problems on the back shelf instead of dealing with them. Then, once the turbulence reaches the surface, it is too late and the end comes swift and final. Jada and Will, you have to pay attention to each other. Watch for subtle signs of discomfort or anger, and deal with it immediately in an open, direct and compassionately way. That is the key to sharing an inspiring, creative, lively, and happy life together.

Although there is potential in any relationship, some match-ups are more likely to succeed than others. Below is your compatibility rating, derived from the combination of the four Core numbers discussed within this reading. It should be noted that some of the numbers are given more weight within the calculation of this rating. Your overall "compatibility" is rated as Somewhat Challenging (Between 42 and 48%).

The graph below show the distribution of results from several hundred couples. The red line in the graph indicates your average rating relative to the rest of the population.
